

DR TONY LAWRENCE RETIREMENT

We wish to announce that **Dr Tony Lawrence** will be retiring on 31st December 2019.

We are sure you will all join us in wishing Tony a very happy and well deserved retirement after 25 years working in General Practice at The Lindfield Medical Centre and a total of 30 years as a doctor. He is looking forward to pursuing many other exciting interests outside medicine together with his family.

Together with his patients we are all grateful to him for many years of exceptional dedication and professional care.

We will be arranging a collection and a presentation book to sign in due course.

We plan to recruit his replacement over the coming months. **Please note that changing your allocated GP is not required and any requests will be declined.**

In the meantime we are grateful for your patience and will try and ensure a smooth transition of your future medical care.
