

Why GPs charge for private letters and reports

Private work including claim forms, holiday cancellation reports, letters of fact, HGV medicals etc are chargeable and not available on the NHS. These take up valuable GP and administration time. GPs are self-employed and have to cover the costs of running the GP Practice just like any other business. Time spent by GPs completing private work is generally done outside of normal contracted working hours as an extra commitment to a GP's workload.

PRIVATE WORK SCHEDULE OF FEES

PLEASE NOTE WE REQUIRE PREPAYMENT OF ALL FEES. IF PAYMENT IS NOT MADE THE GP WILL BE UNABLE TO UNDERTAKE THE WORK
